

Executive Director Goals 2019/20 School Year

1. Develop a deeper understanding of School Improvement Plan, work with admin team and board to update current SIP information and construct the new SIP plan.
2. Explore facility options for CCCS through conversations with 4J and research new facilities funding and space opportunities.
3. Work with the Board to conduct community outreach to increase awareness of CCCS and its mission amongst traditionally underserved populations.
4. Collaborate with charter school leaders, explore possibilities for purchasing partnerships, professional development partnerships, and staffing options, etc...
