COBURG COMMUNITY CHARTER SCHOOL DONATION REQUEST 2022-2023

In 2010, the only school in Coburg (just north of Eugene) was closed due to budget cuts. The town rallied to create **Coburg Community Charter School (CCCS)**, which has now achieved great success and attracts families from around the area. However, CCCS only receives 80% of the state funding provided to traditional schools and depends on our community's generosity to make up for the funding gap.

Businesses and community members like you have generously donated gift certificates, goods, services, and financial support to our annual auction, which directly benefits CCCS students. This has funded curriculum, library books, middle school electives, technology, playground equipment, instruments, and many other items critical to our efforts to develop "strong character and academic excellence through community immersion."

This year's **Annual Auction & Dinner** will be held on **May 12, 2023 at Shadow Hills**, and we would greatly **appreciate your support**. Contributions will be recognized throughout the event and are tax deductible. If you are able to make a donation, **please complete the information below and return it with your donation by May 1st**.
